SITE 1. elite guard force
double portal entry. large building
top of hill surrounds me of

MORMON TEMPLE. CLEARED AREA
AROUND FENCE LINE THEN A
TREE LINE.

AREA 2, FARMING AREA, SOLID
MIDDLE CLASS. LARGE STRUCTURE
WITH LIKE A PALACE IN
FRONT OFF TO LEFT LARGE
AREA LIKE A PARKING LOT
WITH METAL OBJECTS LINED
UP. I DO NOT THINK METAL
OBJECTS ARE VEHICLES

AREA DIRECTLY BETWEEN
SITE 1 AND 2 IS VIRGIN.

THERE IS BLACK EARTH HILLS,
GULCHES, A SWAMP OR MARSH
VERY LARGE ROUGH HILLS. SOME
PATHS AND ROADS LIKE LYNN

ROADS THAT DO NOT APPEAR

(2)

TO GO ANYWHERE. TO TRAVEL
THIS WAY WOULD REQUIRE 4
WHEEL DRIVE A MAP AND
A COMPASS.

A NOT TOO BAD ROAD, HERE
CALLED MAIN ROAD, CONNECTS THE
TWO AREAS BY A ROUND
ABOUT MEANS (SEE SKETCH)

ON MAIN ROAD IN MARCH
1984 LONG LINES OF TRACKS
CARRY TROOPS IN BACK, SOME
TARPS UP SOME DOWN.
VEHICLES MOVING VERY SLOWLY.
SOLDIER TIRES, COLD. SOLDIER,
NOT OF SAME QUALITY AS
ELITE GUARDS. SOME OTHER MILITARY
VEHICLES TRAVELING INTER SPACED
WITH TROOP CARRIERS.

1ST DAY, SUN SHINING

B.T.F.R.

(3)

COLD. NOT MUCH TRAFFIC,
SEE 4 TO 6 MIN SPREAD
OUT ON BOTH SIDES OF
ROAD NEAR A TUNNEL.
ONE MAN HAS HAT AND
GOGGLES LIKE A TANKER.
THERE IS ONE VEHICLE HERE
BUT I CANNOT TELL IF
IT IS A TANK OR A
Bulldozer.

2 D DAY LONG LINE
OF VEHICLES, TROOPS IN BACK,
ALL CANVAS TAKEN OFF, TROOPS
ARE WARY, BUT COLD, VEHICLES
STOP, START, STOP, START, THERE
IS A LOUD NOISE AS GEAR
AS FORWARD. AND A SMELL
OF EXHAUST FUMES. THE
TROOPS ARE WANDERING "AFH" ANYONE
IS IN CHARGE.

MORALE IS LOW. AND I DO
NOT SENSE A LOT OF PRIDE.
TROOPS ARE NOT AS SMART
AS ELITE GAYAN FORCE, AND
IN FACT MAY BE OF A
SLIGHTLY DIFFERENT RACIAL
STOCK
